Any candidate that has any non-active time will have this period extended, and such period will be decided by the School owner or designated Instructor and WKSA. Each candidate will be **required to test a minimum of 8 times** before promotion.

***To begin* the Third Degree (Dahn) Black Belt Testing**, the minimum length of time is two years **from the anniversary date of the last promotion**. This period of time must be active training time. The candidate must be at least 17 years of age at the time of the promotion. Any candidate that has any non-active time will have this period extended, and such period will be decided by the School and WKSA. Each candidate will be **required to test a minimum of 8 times** before promotion.

***To begin* the Fourth Degree (Dahn) Black Belt Testing**, the minimum length of time is two years **from the anniversary date of the last promotion**. This period of time must be active training time. The candidate must be at least 22 years of age at the time of the promotion. Any candidate that has any non-active time will have this period extended, and such period will be decided by the School Instructor and WKSA. Each candidate will be **required to test a minimum of 8 times** before promotion.

Fifth Degree Master Testing will be at the discretion and invitation of Kuk Sa Nim and the WKSA. The period of testing and the number of tests shall be at the discretion of Kuk Sa Nim. A basic understanding of the Korean language is required beginning with usage of appropriate greetings and salutations that are outlined in Kuk Sool Won™ textbooks. The candidate is highly recommended to study and learn the Korean alphabet and have some conversational understanding of the Korean language. The candidate must be at least 28 years of age at the time of the promotion.
